

## *Native Plant Nursery Internship*

### Learning through experience...

*Help conduct revegetation projects on several sites in Santa Monica Mountains Recreation Area. The plants must be true native plants.*

- Work with volunteers to propagate and care for native plants.
- Collect and process seeds.
- Maintain tools and manage supplies for the nursery.

### To Qualify:

- ~ *Background in Botany or Horticulture is helpful.*
- ~ *Ability to keep detailed and accurate records is required.*
- ~ *Familiarity with Santa Monica Mountains native plant vegetation is helpful.*

### Work Conditions:

- ~ *Work will be done at our native plant nursery at Rancho Sierra Vista in Newbury Park.*
- ~ *Seed collection may require some hiking in rough terrain and dense brush.*
- ~ *Must be able to lift 40 pounds.*
- ~ *Intern will work weekdays and some Saturdays.*

### How to Apply:

Send letter of application, resume, three references and unofficial transcript by e-mail to [sheila\\_braden@nps.gov](mailto:sheila_braden@nps.gov) or regular mail to:
